PROM THE AWMY OF THE POTOMAC. New Your, April A.—The Herold's Alexandria dispatch of the this says of the Potomac resulted in the dispatch of the this says of the Potomac resulted in the discovery that there is nothing new. It has raised there seem out of the last ten days. The campa are in the most horrible condition. It will take four weeks of smalline to day the grown, so, as to allow any part of the army to The resonant sails. gron-i, mo he became in any is nearly per-campe its base.

The re-organization of the army is nearly per-fected, and the troops are becoming reconciled to the new order of things. FROM THE SOUTH.

Louisviales, April 2.—A private circular was captured by one of our scouls in the Army of the Christopheristid a few deep age, it was issued from the basiquateurs of Gen. Johnston. See the Christopheristic and the product of the property of the Confederate Government immediately to collect their property and remove from their homes to the protect of the confederate Government immediately to collect their property and remove from their homes to the confiderate Government immediately to collect their property and remove from their homes to the confiderate Government immediately to collect their property and remove from their same are particularly and their same and children were to be provided with means of support by the Confederate authorities; those able to also were to be formisched work in arounds and factories. A comp was to the establishment of the confederate Government, Theory and the same to the confederate Government, Theory property would not be respected, and as examines of the Confederate Government, Their property would not be respected, and no security greated for their three. The or

casmiss of the Confidents Georemannial reproperty would not be respected, and beginning reproperty would not be respected, and accirrity granted for their lives. The ore is looked upon as a virtual shandonment of with of the most houndary of the Cooss. River, referring to the map, the resides will see that me, Ga., let face onter Fay to the protection of country south of the Cooss. The paople are Loomplying with the provisions of the circular, ich may be considered as an ordinance that they are not the most implication considered in the shift. the same place.

The Captain of the steamer Empire City was reseted to day and fined \$100 for unwarrantable.

gw Yose, April 6.—The receipts at the Carton new testuring assembled to \$500,500, of white flow were polic certificates. the subscriptions to the 10.45 lean at the fee jound hank is-day were \$500,600. he receipts at the Cusion House to-day were \$400, of which \$500,000 were in gold certifi-
